

DREAME

Dreame Roboticmower A1 Pro

Superior mowing like never before*

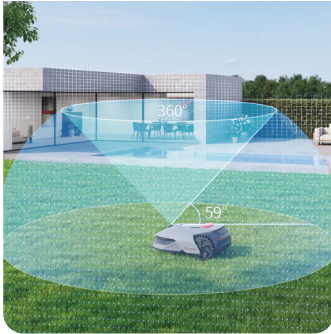

Dreame Roboticmower A1 Pro

Superior mowing like never before*

Step into the future of lawn care with Dreame Roboticmower A1 Pro. Effortlessly create wireless boundaries, navigate obstacles using advanced 3D technology, and achieve a perfectly manicured lawn with innovative U-shape path planning. Take control intuitively through the Dreamehome App for a seamless mowing experience.

Key Selling Points

Minimized Oversight, Minimal Maintenance

Embrace a carefree mowing journey with A1 Pro's innovative features that restore the beauty of your yard without complicated boundary settings.

Effortless Precision, Evenly Cut Lawns

A1 Pro brings dedicated craftsmanship to lawn care with efficient U-shape path planning. An evenly cut lawn is just a few clicks away.

1 Mower for 2 Separate Areas*

Perfect for homes with disjointed front and back yards, A1 Pro allows you to create and manage 2 independent maps, saving you time and eliminating the need for an additional mower.

Powerful Off-Road Wheels

The off-road wheels provide powerful traction to tackle complicated terrains and adverse weather conditions.

Quick Start Guide

User Manual

Superior mowing like never before refers to the exceptional mowing experience provided by A1 Pro, especially when compared with walk-behind mowers, riding mowers, and other mowers that require boundary wires, RTK, or UWB.
*The dual-map feature requires buying another charging station. Supporting charging stations and adapters are available for sale.
